POP!

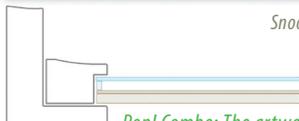

Pop! is a bright and colorful new collection of 18 high-gloss mouldings with 3 profiles in 6 colors. Though ideal for modern art and interiors with a contemporary to transitional design theme, Pop! is the perfect collection for complementing colorful artwork as well as adding impact to any design.

Snoopy "Gang Star Dreams" by Tom Everhart

Above: The Pop! Collection wall at the Omega Moulding Booth at the 2015 West Coast Art & Frame Expo in Las Vegas, featured five limited edition prints by Tom Everhart from the Dreams series inspired by the works of Charles Schulz.

Pop! Combo: The artwork shown above is framed with Pop! moulding 83729 (inside) then nested into 2" floater 83723
